

Asphalt Paving Schedule 2013

The City of Rockville will be repaving more than 80 street segments in the coming months as part of ongoing efforts to maintain and improve the community's infrastructure.

The streets listed below are scheduled to be repaved. The lists are separated to denote that each section will see work from separate contractors, with construction starting about July 8, 2013 and expected completion by Sept. 30, 2013. The order that the streets are listed in each section is generally the order that the repaving work will be completed. The schedule is affected by weather and may change without notice.
